

Dr. Nina Fay Calhoun International Relations Award

The Dr. Nina Fay Calhoun International Relations Award was adopted in 2002 as a memorial to the only International President who served two terms and who focused on the International aspect of our organization. The objectives of this International Relations Award are as follows:

Objectives:

- To encourage and to stimulate international relations
- To create an awareness of other cultures and people of the world
- To recognize outstanding club achievement in international relations

District and International Competition

Activities nominated for the Dr. Nina Fay Calhoun International Relations Award are judged each year at District Conferences. First-place winners from each District are entered in the competition at the International level. Established judging criteria are used by Districts and by International.

One service project from the Clubs-At-Large is included in the competition by International. The Clubs-At-Large Committee organizes the selection process for activities from Clubs-At-Large.

The International Service Program Development Committee coordinates the International judging activity. The chair appoints three (3) prominent members of the general public to serve as judges.

The judges may disqualify any entry for any rules violation. In evaluating entries, the judges place primary importance on the written narrative. Substantiating materials are considered only in a supplementary perspective. The amount of funds spent on the activities is not a consideration in selecting award winners.

In determining award winners, the judges consider how comprehensive the International focus was during the entire Club year and how it was incorporated into other aspects of the Club.
