Making a difference
in our community

Altrusa Club of Palmerston North

The Palmerston North Club was founded in September 2005. Our meetings are held once a month on the 2nd Thursday of every month.

Our Club's aim is to make a difference in the Palmerston North community through a variety of service projects.

If you would like to join a group of energetic, enthusiastic and forward thinking women who want to make a difference in their community, whilst having loads of fun and making new friends, then Altrusa is for you.

Why not come along to one of our meetings and find out more about our group. Our membership is diverse and comprises a Company Director, a Tow Truck Driver, Telephonists, Bus driver, Office administrators, a Librarian, a company CEO, Hairdresser, Pharmacist, volunteer workers, Real Estate, Tutors, an Accountant, Housekeepers and a Radiographer to name just a few.

What is Altrusa?

Altrusa International is the pioneer of womens volunteer service clubs. It is the first, the original and the creator of women's service clubs.

The purpose of Altrusa is to promote community service by an international network of executives and professionals in diverse career classifications.

It is an organization actively involved in community service and literacy throughout the world.

Mamie Bass (the founder of Altrusa) shared her vision of Altrusa— to help women advance their careers and unite them in leadership, service, and build an organization where women with common ideals could collectively help society.

Altrusa is always looking for new projects so if you think our group can assist you in a productive and positive manner, please do not hesitate to contact us.
