November meeting

Lyn from our Club was our speaker and she very cleverly shared her travels using photos and rhyme.

What a wonderful journey you had Lyn. Thanks for sharing it with your fellow members.

Books were purchased for Mums at the Riveridge Birthing Centre Centre and were very well received.

Ali received her 15 year pin from President Jenny.

A big thank you to the Club for the toiletries that Alison put into packs for patients. She has been able to put together a small number of packs for men which she gave to a young man. He was delighted and the doctor was impressed with the "man" pack. One of the doctors has also contributed with goodies for the packs. Alison thanks all who have given as this project makes such a difference and the patients are so delighted to receive them. One thing more we could do is supply some small teddies.

If you have some that are no longer needed please bring them to a meeting. Often a teddy is given to a patient at the start of an interview, it provides something to hug and get comfort from.

Well done and thank you to all who worked so hard to make the Youth and Young Citizens Awards so successful.

Raffle winner at our meeting

We had 2 prizes and the lucky winners were Jenny and Maureen.
Congratulations
